### The Fundraising Cause for 2022:

Cardiac enhancements and expansion of bed space have been a longstanding priority for our hospital, and we're thrilled to support these equipment needs. As the only facility in Central Zone with Intensive Care and Coronary Care beds, the Red Deer Hospital will be creating a permanent space for CCU and expanding its ICU beds by 8, for a total of 20 ICU beds. Our healthcare system needs more capacity, and this expansion is the first step in responding to the increased demand for high-quality care for patients in the ICU and CCU.

Thank you for your generous support. We look forward to seeing you in person for the 2022 Red Deer Festival of Trees, November 24-27, 2022.
