

# **2023 FESTIVAL OF TREES**

## **TREE DECORATOR INFORMATION FOR GIFT IN KIND TREES**

Welcome to the 30<sup>th</sup> annual Festival of Trees! We are forever grateful for the time, talent and energy that our past and continuing supporters have put into the Tree program at Festival. To our new sponsors, we hope you find the experience as magical as we do! The trees have always been the heart of our Festival.

### **PICKING YOUR TREE:**

- ❖ **Purchase a tree yourself from one of our local businesses or online.** Ensure that the tree you buy has a **good metal stand and a strong stem**. Your finished tree will do a lot of travelling and it's very difficult to deal with broken trees. Keep your receipt in case we must return or exchange a defective tree. Contact us if you have any questions about obtaining a good tree.

### **INFORMATION NEEDED BY OCTOBER 20:**

- For signage on site and print material we require a completed Sponsorship Agreement Form containing the following information:
- Name of your tree
- Decorator's name(s)
- A brief description of your tree, including the height and any items or gifts you may be placing underneath your tree
- Fair market value of the tree and any items belonging to it (for example, items included under the tree, if applicable). Trees should have a retail value of about \$750 to \$2000. Decorations must be professionally made or purchased.

### **DATES TO DECORATE ON SITE OR DELIVER YOUR TREE TO WESTERNER PARK**

- ❖ **Tuesday, November 21, 9:00am-9:00pm – Stockmens Pavilion**
- ❖ **Wednesday, November 22 9:00am – 1:00pm – Stockmens Pavilion**
- ❖ Carts will be available for your items
- ❖ Enter the Park off 19<sup>th</sup> street; drive passed the **Campground and Donald Administration Building** towards the parking gates, turn **LEFT** as soon as you pass through the parking gates. The Centrium should be on your **RIGHT** hand side. There is no charge for parking. Park in the lot located near the campground washrooms and enter through the doors of the Stockmens Pavilion on the east side of the building. There is an overhead door if needed. (drop off and park as quickly as possible for large items)
- ❖ If you have decorated your tree off site it can be delivered during the above times. You will need to place and fluff your tree yourself after you check in.

### **CHECK IN:**

**After you arrive and before you start decorating**, check in at the tree/silent auction receiving table. A Festival volunteer will secure your tree stand to a wooden pallet and place a metal rod inside or next to the stem to support your tree for delivery. (This applies to all trees, including those already decorated off site.)

- ❖ A volunteer will assist you in finding your spot in the tree room. There will be a marker on the floor with the name of your tree.

## WHAT TO BRING:

- ❖ Wear comfortable shoes.
- ❖ Bring everything you will need to decorate including ladders or stools, wire (26 gauge) and wire cutters.
- ❖ Supply your own extension cords and any optional accessories you may choose to use, such as spotlights.
- ❖ Provide a tree skirt or covering for your stand.

## DECORATING TIPS & INFORMATION:

- ❖ Most trees are pre-lit but if not, the rule of thumb is 75-100 lights per foot.
- ❖ **\*\*\*VERY IMPORTANT\*\*\*** Delivery trucks are 8' high. **Trees over 8' must be decorated and wired so the top section of the tree can be easily removed for delivery.** Ask about this on site if this applies to you.
- ❖ Wire and secure all decorations to your tree using 26 gauge wire. Remember to bring your own wire and wire cutters.
- ❖ Leave original metal stand with the tree.
- ❖ Flatten boxes and discard in the recycling bins provided.
- ❖ Keep larger boxes that are in good condition for packing up items under your tree, if applicable. Label boxes with the tree name. Leave original boxes for special items that need repackaging (ex. TVs, coffee machines, toys, etc.)
- ❖ Take all extra decorating items with you when you leave, or they may get packed on our trucks and will not be available again until next year.
